**Dr. Alberto L. Pierini, President & Dr. Stephanie A. Stover, Medical Director**

Dr. Alberto L. Pierini, is known internationally for his incredible skill and artistry, spending nearly 40 years as master in his craft.

Known for his world-class work on some of the globe's most beautiful women, Dr. Pierini has worked with national and international celebrities, European royalty and past beauty pageant winners including Miss Universe, Miss World, Miss Venezuela, Miss Aruba, Miss Curacao, Miss Brazil, Miss Puerto Rico and Miss Santo Domingo. He's a fan favorite of models and internationally renowned artists alike.

Now serving as President of both Pierini: A Solution For Beauty (Tamarac) and Pierini Esthetic Surgery (Doral), and as a surgical first assist under the direction of board certified plastic surgeon Dr. Stephanie Stover, Dr. Pierini received his foreign medical degrees from the University of Cordoba in Argentina and his Venezuelan medical degree from University of Zulia. He completed post-graduate work in general surgery, maxillofacial and reconstructive plastic surgery in Caracas, Venezuela. Dr. Pierini was a fellow at The University of Miami,

Duke University, Emory University, Eastern Virginia Graduate School of Medicine and finally the University of Vienna in Austria. After returning to Caracas, he worked in the plastic surgery department of the Miguel Perez Carreño Hospitals.

Dr. Stephanie A. Stover is American board certified in plastic and reconstructive surgery as well as general surgery. After graduating from the University of Florida College of Medicine, she completed her residency in general surgery at the Mount Sinai Medical Center of Greater Miami, as well as fellowships in plastic and reconstructive surgery. Dr. Stover is affiliated with the American Society of Plastic Surgeons.

Drs. Pierini and Stover, along with Dr. Marina Vargas, director of holistic therapies, help patients achieve inner and outer beauty at both Pierini offices, specializing in plastic surgery, non-surgical aesthetic and cosmetic treatments and medspa offerings, such as laser treatments, injectable fillers and microdermabrasion, as well as nutrition consultations, weight loss and western herbal medicine services.
